Technical Report

iZENElib Extra

Ian Yang

March 9, 2009

Abstract

This is a report for my achievements in adding some underlying data structures to *iZENElib*. This report will be merged into tr *iZENElib* later.

Contents

1 Objectives

TODO

Appendix

A Schedule

Table A.1: *iZENElib* Extra Schedule

Milestone	Start	End	In Charge	Description	Status
1 Read the existing tr of *iZENElib*	2009-03-05	2009-03-05	Ian	Read tr to understand the objectives of *iZENElib* and the architecture, interface conventions, and *etc*.	Finished
2 Go though existing source codes of *iZENElib*	2009-03-05	2009-03-05	Ian	Go though codes to get familiar with the coding style and the layout of the whole project.	Finished
3 Requirements Analysis	2009-03-09	2009-03-11	Ian	Background research and confirm the objectives and outcomes of this project.	Not Started
4 Research	2009-03-12	2009-03-16	Ian	Survey existing solutions and papers as reference. Brainstorm ideas	Not Started
